## April 2018

Dear Families,

Welcome back to school! I hope everyone had a wonderful and restful Spring Break! I was happy to have the sunshine here in California! It was a long enough break and I hope you are all ready to be back together. I know I missed all of the kids! We only have 9 weeks left of school this year. We will be working hard in the classroom to make sure we are learning as much as possible before summer. We of course will be having a lot of fun as well!

Sincerely, Mrs. Grover

### Important Events for April

## WHAT'S COOL IN OUR SCHOOL?

April provides a lot of fun. We will be celebrating Earth Day this month (April 22). We will be doing a fun Earth Day activity with the preschool little buddies on Friday, April 20<sup>th</sup>. Any and all 3<sup>rd</sup> -5<sup>th</sup> grade parents are welcome to join your big buddy that day. 9:30am-10:00am.

Wednesday, April 11<sup>th</sup> – we will be having a parent meeting with the principal following the awards ceremony at 8:30am. I will be talking about tolerance and doing some fun activities with the parents to get to know each other better. What a great way to get more connected with others as we head into summer. Playdates will keep kids connected and excited to return in the fall! Hope to see many of you there!

### School Safety Changes

We have changed the gate code: **3286**

Please sign in and out if you are visiting within school hours.

**You do not need to sign in at drop off and pick up unless you are signing out from aftercare**
