May 2018 Newsletter

Dear Families,

It is already May and we are busy, busy here at school. The kids are wrapping up units, engaging in final school year projects and looking forward to the summer! We are also busy planning for our Mother's Day celebration as well as some fun community building events (see the calendar). As the weather continues to warm up, please make sure you are sending your child dressed for the weather. This includes a hat and sunscreen as needed. Layers may be important this month as the mornings are still cool.

Please make sure to sign up in the office for the movie night, parade and street fair!

Thanks – Mrs. Grover

Monrovia Parade

If we are interested in walking in the Monrovia Day's Parade we need to submit our entry form ASAP. Right now we do not have many people interested. Please see the form taped to window by the office and let us know if your family can participate.

Please let us know by Friday May 4th.

A big thank you to all of you who were able to make it to the Open House on April 25th. I know the students enjoyed showing off their work and their classrooms. Hopefully you were able to stop in to the other grade level rooms and see what is happening school-wide. I am very proud of the staff and students!
