Character education theme: Responsibility

October character education theme is "Responsibility". The focus of this theme is teaching the children to do what they are supposed to do and learn to keep good habits in bodily health and table manners. Children will learn the importance of hand washing, how to take care of their teeth, put on clothes, fold the blanket after nap time and clean up toys in the month of October. We also prepare two activities for children to reinforce their learning. The first event is the table manner that help children to distinguish improper and proper habits and manners during the meal time. The second event is " I CAN DO IT". Children needed to fulfill the tasks of five centers including "I can wear my shoes", "I can wear my jacket", "I can clean up toys", "I can wash my hands" and "I know table manners" to win stamps or stickers. It will be a very interesting event for children to review all they have learned from the theme of Responsibility for the month of October.

- 7 Table manner
- 25 I can do it
- 29 Fire Drill
- 31 Halloween Celebration

Coming event:

Halloween celebration

We will have a Halloween celebration event on Thursday, October 31. Children will have fun in the costume parade, greeting & treat, and center activities arranged by all the teachers. Children can wear their costume to school that day, and we strongly encourage parents and children work together to create a costume from recycling material for our parade. Parents are welcome to be volunteers for this activity and join our whole event.

Friendly Reminder

1. Please kindly inform us either via email or by phone if your child will be absent, so the teachers can have better classroom management. The school phone number is (214) 446-1776.
2. We will ask parents to bring treats (no candy, peanut or nut products and scary items) for the greeting & treat activity of the Halloween celebration event.
3. Please let your child finish eating the breakfast before entering the school. No outside food or snack in school please.

Jing Si Aphorisms:

- *Wash your hands often to keep germs away.
- *Hold your bowl and chopsticks nicely, sit up straight.
- *Life has rules. Put away toys
