

# Tzu Chi Great Love Preschool, Dallas

Newsletter April, 2018

## 10<sup>th</sup> anniversary celebration

Great Love preschool and kindergarten is 10 years old! We celebrated our birthday with many interesting activities like making photo quilts, having "Love Earth" theme drawing contest, planting vegetable seeds for our garden and planting a tree in the spring party. We also had a very special 10<sup>th</sup> anniversary ceremony by inviting all students and parents who attended our school in the past years back to join us. Our children had a wonderful Performance to deliver the message of loving our earth which matched our anniversary theme "Children of the earth".

• Great Love Preschool is 10 years old!

## Humanity program for April

The humanity program theme for April is Emotion Management. Children recognize different emotions in the daily life. And from knowing different emotions to learn how to control emotion, then finally they will learn to understand other's emotion. We also have recycling activity and many fun related events to celebrate Earth Day on 4/20.

## Coming events

- (1) *Earth Day celebration:*  
4/20(Friday) Indoor playground
- (2) *2<sup>nd</sup> Open house:*  
4/27 (Friday) 3:00 PM each classroom  
Children perform from bilingual curriculum and Humanity teaching. Children show parents the folders with school works and work in the learning centers with parents. Parents can talk to teachers if they have any question.
- (3) *"Muffins for mom" Mother's day event*  
5/11 (Friday) 3:00 ~4:00 PM

## Friendly Reminder

\* Maintain the safety of our school all the time, make sure the front door is closed every time after you enter or leave our school.

\*Please visit our school's website at:
