Steal the show in Year End Blessing

Children had wonderful performance on the Year End Blessing ceremony hosted by Tzu Chi Dallas chapter on 1/14. The performance that combined the song and plot highlighted the song of "Children of the earth" and won lots of attention and praise. We'd like to thank parents for your support and help, so we can have a wonderful performance.

Open new class

We will open a new class for children who are 2 and half to 3 years old and potty trained ready in the month of March, so more students who are in the waiting list can enroll earlier. We work very hard to prepare including setting up the classroom, adding new teaching material and new teacher training. There will be only 14 students in the new class, Gratitude 1, to keep the better quality of learning.
