

Tzu Chi Great Love Preschool

April 2018 Newsletter

Dear Parents,

With the great weather and the recent time change, we have been able to enjoy staying outside longer in the afternoon and will soon begin playing in the water tables and sandbox area. With the recent rain we had this season comes lots of pollen and allergies. Please let your child's teacher know if your child has allergies and how we can help them better function at school or if you have given them medication in the morning so we can monitor them throughout the day.
