September character education theme: Respect

The first character education theme for our new school year is RESPECT. Children will learn the importance in being polite and greeting others. They will also learn the magic words of “please” “sorry” and “thank you” and practice in their daily life. Character education is the focal point for our school. Teachers design lesson plans and activities based on monthly themes for children to develop good characters. The themes for the school year are as the following: Respect, Responsibility, Thankfulness Giving, Compassion, Courage, Contentment, Emotion management, Filial Piety and Tolerance.

Moon festival celebration

We will celebrate Moon Festival on Friday, September 13th at 3:00 PM. The celebration will include singing songs about moon, telling and playing the story of Chang Er flying into moon as well as knowing different kinds of moon cakes from the video. Different centers of activities related to moon and the holiday will be set up for children.
