

Tzu Chi Great Love Preschool

November Newsletter

慈濟大愛幼兒園

十一月校訊

11/1/2017

Dear Parents,

The first three months of the school year have been really wonderful! Teachers and children have settled into the daily routines and we continue to see children's progress at school every day. I hope that you have enjoyed our school events for the last three months. We will continue to plan more activities for you to participate and be part of our school life!

I also would like to thank all the parents who have helped us with our Halloween event. Your help and participation, along with teachers' efforts and Tzu Chi volunteers' supports, make our preschool a loving and warm place for our students! Thank you very much!

Food Drive

Our Preschool will be hosting a food drive the week of 11/6 – 11/10 to feed families who are in need during the holiday seasons. All the food items will be donated to "Action Food Pantry" located in Pomona. Please invite your child to help you choose the food items you would like to donate and initiate conversations about the meaning of helping others so that our children have a wonderful opportunity to practice compassion and giving at home.

Preschool Regular Schedule Policy

Starting in November, teachers will be reminding all the parents to pick up your child/ren on time if you choose to pay for the regular schedule (9am to 4:30pm). If you pick up your child/ren or stay at school after the grace period(5 minutes), you will be charged a late fee, which is \$12 per 15 mins. Please plan your schedule accordingly in order to avoid the late fee.

Thank you for your understanding. Please let me know if you have any questions!

Michelle Young
Assistant Director

Themes for November
