Dear Parents,

Fall has begun and the weather will start to change more drastically. At school we try to reduce the germs from spreading by sanitizing toys weekly to keep our students as healthy as possible. Please keep your child at home if he/she doesn't feel good. If your child has been ill, he/she may not be re-admitted to the Preschool until he/she is free of symptoms for 24 hours without medicine or you have provided a note from your child's physician confirming that he/she is free of symptoms. Let's work together to keep our children healthy and happy!

**Fall Weather and Tzu Chi Preschool Uniforms**

Cooler weather will be with us until spring and it is generally a good idea to send your child to school with a jacket even though it might get warmer in the afternoon. Please note that Tzu Chi jackets are part of students' uniforms and we are reinforcing our preschool's uniform policy. If you need to purchase jackets for your child, please contact me. Please also label all your children's jackets/sweaters so it will be easier for teachers to help find it if it is lost. Thank you!

Please feel free to contact me if you have any questions. Thank you very much!
