

Tzu Chi Great Love Preschool

March Newsletter

慈濟大愛幼兒園

三月校訊

3/1/2018

Dear Parents,

This year we had wonderful winter weather in California! We finally had lots of rain to relieve a little bit of our water shortage. I hope that you have enjoyed the warm sunshine and the chilly rain as much as our students have!

This year the flu season seems to be impacting many people with great strength. If your child is sick or is sent home from school due to a serious illness, we would like to request a doctor's note to verify that your child is able to return to school. In order to prevent the spread of illnesses to our students and staff, **our staff will continue to clean and sanitize the classrooms daily and we would like all children to wash their hands upon arrival and before they leave for the day.**

I would like to remind you our **preschool's sick policy**.

Your child shall not be allowed to attend the Preschool for the day or will be sent home if they appear to have symptoms of illness during the day such as acute cold symptoms, temperature of 99.7 or above, or any **contagious disease**. Parents will be notified and arrangements will be made to pick up the child immediately.

If your child has been ill, he / she may not be re-admitted to the Preschool until he/she is free of symptoms for 24 hours **without medication** or you have provided a note from your child's physician confirming that he/she is free of symptoms. The decision of the Preschool Director shall govern such re-admission.

Thank you very much for your understanding and let's work together to create a safe and healthy environment for our children. Please let me know if you have any other questions.

Ms. Michelle Young
Assistant Director
