Dear Parents,

The current school year is coming to the end and this will be the last newsletter for parents whose children are moving on to elementary school summer programs! As we reflect upon the year, I would like to say "Thank you!" Thank you to all the parents for your support and commitment. Your child is truly amazing and it's our privilege to be part of their life journey. I hope that all the graduating children have cultivated good character and developed enthusiasm for learning at our school. We are surely going to miss all the wonderful students when they graduate and move on!

In April we held the Family Appreciation Festival celebration and Earth Day. I hope you all enjoyed the program and I would like to thank all of you for your donations and time to make this event so successful!

Graduation Ceremony (Pre-K)

Our Graduation ceremony will be on May 25th, 2018 from 10 to 11am in the Fellowship Hall.

Parent Conference Week

Parent Conference Week will be from 5/7 to 5/14. This end of year conference is **OPTIONAL** or **ONLY by teachers request (as needed)**. If you would like to schedule a conference to meet with your child's teachers, please contact Ms. Michelle. Limited space is available.

Teacher Appreciation Week is May 7-11

In honor of our teachers, I would like to invite all students and parents to help celebrate Teacher Appreciation Week. Families are encouraged to show their appreciation in any way they prefer throughout the week.

Our teachers work hard to make learning exciting and fun for our students and also create a safe learning environment. I am very grateful for their love and passion toward our students. Please help me celebrate and show our appreciation for their dedication and hard work.

Thank you!
Happy Mother's Day to all the wonderful Moms!
