

Tzu Chi Great Love Preschool

January 2018 Newsletter

Dear Parents,

We are very excited to begin the new year and welcome several new families in the Class of Love. We would also like to extend a big "THANK YOU" for bringing family and friends to the children's delightful Christmas program and all of the wonderful toy donations for the Toys for Tots toy drive. We hope you enjoyed your time with us!

News & Announcements

Cooler Weather:

We would like to remind everyone to please **label** all jackets and other items that your child needs (water bottles, hats) and check items before taking anything home since many students have similar water bottles and uniforms. We recommend to layer your child's clothing so the teachers can remove clothing while inside the classroom and bundle them up before going outside.

Parent Conference Schedule

Parent Conferences will be 20 minutes in the conference room. If you are unable to attend, teachers will give you a copy of your child's evaluation for your reference. If we have any concerns and need to speak with you, we will reschedule for a later date.

- *Class of Love – Wednesday, January 10th*
- *Class of Courage – Thursday, January 11th*
- *Class of Respect – Friday, January 12th*

2017 Tax Statement
